Director of Training

Intermediate Intelligence Course (Scientific)

1. In the three offerings of the Intermediate Intelligence Course (Scientific) during the past ten months, the following subject matter specialists from your Office have presented lectures and guided seminar discussions on matters of interest to analysts concerned with the production of scientific intelligence:

2. I wish to express my thanks to you for making these people available, and to the lecturers themselves for notable contributions to the course curriculum. The successful attainment of the course objectives is in large measure due to their competence in presenting their subjects in an informative and interesting manner. Student reaction has been most favorable and complimentary.
